

GRAMMAR

ENGLISH-ITALIAN TIMELINE

PREMISE

The presented Grammar timeline has been conceived to facilitate elementary year's children learning of both languages, considering the following elements:

- bilingual English-Italian learning context
- 36 weeks time span
- introduction at the age of 6 y.o.
- priority is given to English, intended as the first language of instruction
- official Italian grammar learning objectives
- same color codes and body actions for both languages
- time alignment of new concepts to ensure teaching consistency and more time for the assimilation on the children's end.
