

EXCERPT	CONNECTION TO INTERNATIONAL MINDEDNESS
<p><i>"As a result of recent globalization, the relationship between language and power as well as critical approaches to language use and language learning have become increasingly significant.</i></p> <p><i>It is the development of this critical language awareness and its role in critical thinking in all learning that is important for the growth of intercultural awareness and international mindedness.</i></p> <p><i>Investigating the possible interpretations of any communication and consequent available choices is part of being interculturally aware.</i></p> <p><i>With this awareness, learners are able to become decentred from any unilateral cultural-based assumptions and continually question their borders of identity"</i></p>	<p>Critical Language Awareness</p> <p>↓</p> <p>Intercultural Awareness</p> <p>↓</p> <p>International Mindedness</p>
