

AFEC®

Athlete Friendly Education Centre

WINS the first AFEC school in Italy

In 2021, the World International School of Torino introduces a balanced Sports & IB Studies pathway thanks to the Athlete-Friendly Education Centre® program.

World Academy of Sport

- 30 AFEC Schools
- 15 countries
- 2.500 IB student-athletes

Unique Opportunity

Student-athletes benefit from a tailored balance between sports & education, and the option to complete the DP over 3 years instead of 2.

School Identity Enhancement

AFEC certification represents evidence of the school's commitment to enhance its educational offer.

Project Summary

In agreement with the IB®, AFEC certification allows the school to welcome engaged student-athletes, providing them with flexible IB MYP and DP timetables that ensure the balance between demanding sports schedules and academic achievements.

- Balance between sports and education
- Tailored study path

Scope

Provide a certified and structured study path to IB student-athletes.

Encountered Challenges

- New student-athlete support system
- New policies

Opportunities

- AFEC Schools network
- Preference for enrollments
- Program specialization
